Synopsis:

(Headline): "FUN! CLEVER! YOU'LL BE IN POST-APOCALYPTIC BLISS!" - New York Post

(Synopsis): A stunning sci-fi epic that re-envision the future of mankind, this top-rated, action-packed original series is "intriguing" (Associated Press), fascinating" (Ft. Lauderdale Sun-Sentinel) and "deep and intense" (Science Fiction Weekly)! Luke Perry ("Beverly Hills 90210," "Oz") stars as Jeremiah, one of the many young survivors of the "Big Death" that claimed the lives of every adult in the world 15 years ago. Now forging his way through a bleak wilderness fraught with danger and conspiracy, Jeremiah and his most trusted friend, Kurdy (Malcolm-Jamal Warner), are plunged into thrilling adventures that test every facet of their humanity...and ultimately the fate of the human race itself!
